KONCEAL SYSTEM

The conceal cistern had been used and tested for more than 20 years. In Singapore and Malaysia, Hemsley is the first to introduce the concept of conceal cistern into the market and eventually coming up with our brand, The Konceal System.

© MODERN DESIGN

The Konceal System is designed to suit and complement any style of bathroom. It conceals or boxes up the cistern behind the wall with your choice of wall hung or free standing WCs.

© SIMPLE INSTALLATION

It is every plumbers' dream to easily install any bathroom fixture, and with the Konceal System installation is simple. Simple installation also means lesser travel / visit for plumbers, saving time and cost.

© EASY MAINTENANCE

Nothing goes on forever, maintenance plays an important role in a product's lifespan. The Konceal System is designed to be easily serviced, repaired or maintained, making it work trouble-free and eventually making the conceal cistern last longer.
